From The Sr. Co-ordinator's Desk

Aristotle once said that, "Educating the mind without educating the heart is no education at all."

"The mind is not a vessel to be filled, but a fire to be kindled." said Plutarch.

Our school magazine kindles the imagination of our learners, cradled in the lap of nature. They are swaying from serious thinking to playful inventiveness with skills and creativity.

I congratulate the staff and students for presenting their ideas. As long as our ideas are expressed and thoughts kindled, we can be sure of learning as everything begins with an idea.

I appreciate every student who shared the joy of participation in co-curricular and extracurricular activities along with their commitment to curriculum.

Just as our mother earth gives us more and more. Our magazine will enable our learners to give and get a little more of learning.

Happy Reading!

This year we had talent leading us, cooperation motivating us and the conviction making us win. Our captain Divyansh Pandey, Vice Captain Aditi Beck and Prefect Kritika Bersayian led the house with the best of their abilities.

The team of Gandhi House embodies the spirit of each student to prove his/her mettle in all spheres of school life. The victories of each team member added the glories in the memories of us and annals of our house. With all of the efforts of each team member and the work, cooperation and help of our esteemed house masters "Gandhi house" has emerged the overall winner of the cultural day and declared as the best house of the school for the year 2016-17.

TAGORE House

In many ways the academic year 2017-18 was remarkably good for the students of Tagore House. In the beginning of the session our house achieved great success. We stood first among the four houses in Inter House Bulletin Board Competition. Though we all tried to give our best in the Inter House Cultural Competition with the support of our house teachers who had really put up their best for the house, we failed on certain occasions. We hope that the spirit of enthusiasm and hard work does not die in any of the house member and hope we will learn from our mistakes and come with flying colours in the years to follow.

STAFF PICNIC

Why should students have all the fun?

The staff members of St. Patrick's Academy, Manendragarh went on a picnic to "Bakra Mudi", located at Manendragarh. Apart from relaxation and enjoyment the picnic also aimed at building a team spirit among the members of the staff.

The organization of the picnic was done by Bro. Solomon and Bro. Shaju. The arrangements for the picnic were given to Mr. Abhijit Mahapatra.

The journey to the spot was an enjoyable one, both due to the exquisite scenery on the way to "Bakra Mudi" and the dancing and singing in the bus.

The place was good and it was surrounded by hills and the water of Hasdeo River was clean and crystal clear. After breakfast all the staff went for the games and there they enjoyed a lot.

After the games most of the staff members entered into the river and there also they were playing Rugby and the rest of the staff relaxed or spent time in the bank of the river.

Lunch was a welcome diversion, it satisfied everyone's plate. After the lunch time there were many games that were organized in which the teachers enjoyed to the fullest. The day ended with more dancing.

Coffee energized the group enough to find their way back home after 7 hours partying.

Meetings, Staffrooms and other work at school have always wanted us to be together. But this was an occasion to let ourselves loose and be with each other to rejoice and revel out the workplace.

Though the picnic was done in a day, the memories will linger for a long time.

Tour to Ooty, Bangalore & Mysore

We started our journey from manendragarh railway station and according to the plan all the students and staff came on time. From there we started at 10:00 PM in the guidance of our Principal Bro. Solomon and the other staff.

Our next destination was Bilaspur from there our train was at 08:00 AM in the morning. All the tickets and food was well organised by our tour operator. Train was in the station and we arranged the students according to their berth after that a long journey of 36 hours started. We reached Coimbatore on 27th Dec at 06:00 PM. All the students were feeling tired because of the long journey but they were excited to visit Ooty. After taking dinner in Coimbatore we started our journey for Ooty. Ooty was not very far away from the Coimbatore but due to the Nilgiri Hills it had taken more than 4 hours. But when we reached ooty the climate was very nice and the temperature was also very low. After that we all went to their rooms for taking rest and recharge.

After that we went to Connor to see the school which is famous for its history. "The Brothers' of St. Patrick's India". The Principal of that school and Bro. Solomon also gave us a tour of that school.

After that we went to ooty lake the famous landmark of ooty. There students enjoyed

boat riding and different things of the lake. Next day after seeing botanical garden all went for the shopping; there they bought different flavours of chocolate. This was the end of our trip in ooty.

Next day all of us went to Mysore it was a 6 hours drive from ooty. After reaching Mysore we went to our hotel and after taking bath all of us went to a local restaurant for taking dinner. Next day our first destination was Mysore Zoo and students enjoyed a lot in the zoo. It was in a 8 km area, there students learned about the behaviour of the different wild animals. From the zoo we went to the famous landmark of mysore and that is mysore palace. It was a wonderful feeling for all of us, because they were able to connect themselves with the ancient history of India. From there we went to Brindavan Garden, we enjoyed the light show there and spend some quality time in the peaceful atmosphere of the garden then we took our dinner in the bus and we left for our next destination and that was Bangalore.

We reached Bangalore near about 03:00 AM in the night, straightaway all went to their rooms for some rest. In the morning after taking breakfast we went to the museum, after seeing the museum we went to Lal Bagh Garden then our next destination was one of the famous mall of Bangalore where we did lots of shopping. It was our last day of the fantastic tour and we went to railway station and our train was at 09:00 PM.

In my view whole tour was good, students learn and enjoyed a lot in this tour. All the staff was very helpful and especially Bro. Solomon and Bro. Shaju, their guidance helped me a lot for making this tour a grand success.

St. Patrick's Day

The 17th of March is a special day in SPA because it is St. Patrick's Day- A day we honour the patron. 17th March is celebrated as a holy day of obligation and solemnity. St. Patrick worked with the poor and the downtrodden. He was the voice of the Irish people- a revered archbishop.

This year too, St. Patrick's Day was celebrated with much enthusiasm as the staff of St. Patrick's and Daniel Delany gathered in the school auditorium. The beautiful photograph of St. Patrick's was decked with fresh spring flowers. The programme started by paying homage followed by prayer song and wishing song by staff of St. Patrick's Academy. Both the staff members wished the brothers with bouquets. A power point presentation based on the life of St. Patrick was screened to give an overview of the vision and mission of the Patrician brothers. Next was the inspirational message by the Principal Rev. Bro. Solomon depicting the life history of St. Patrick, then a melodious song presented by music teacher Mr. Noor. After a short cultural programme and cake cutting ceremony, the brothers hosted a grand party for all the teachers, Parish Fathers and Sisters.
