# SCHOOL SONG

Clad by forts of ancient fame,  
Teeming with many a tale,  
Dancing brooks and lofty vales,  
Brimming with life so hale.

Proudly stands our school of fame,  
Waving in her a magic wand,  
Calling us to the hall of fame  
And leading us to distant land.

Hail O St. Patrick's hail,  
The pearl we deem grand and rare,  
Lead us like never before,  
For the land we hold so dear and fair.

Truth will be our constant goal  
And loyalty our trait prime,  
Raising hearts in humble prayer,  
Gladness for a March we o'er hills and vales,  
Glowing as the rising sun.

Hold we tender hands of ours,  
For unity we deem as boon.  
Hail Thee Saint so warm and rare,  
Dream we of a fairer dawn,  
Soaring like the birds of air,  
Calling all to a perfect morn.

## Sr. Co-ordinator's Message

***“Develop a passion for learning if you do so you will never cease to grow.”***

Amidst the chaos of Covid, online classes and technical hurdles, I am happy that we are back to normal education again. There is so much to gain now, so much to catch up as schools have reopened. Education entails acquiring knowledge not only from books and classrooms but also the knowledge we gain and experience in a schools homes and in the society. Our ideas of life alters as a result of learning and education.

So we, here at our school, emphasise on overall personality development of our students, on sharpening their communication skills, on focusing on their mental well being and on teaching them there social responsibilities. All this so that we can lay a strong foundation so that they become progressive and responsible citizens of this country.

Our endeavor here at Saint Patrick's Academy school is to shape our students for their bright tomorrow and successful future.

We like to thank all parents for they have put their utmost trust in our school and will always strive to seek their consent for our schools activities for their wards as we feel every student is different, everyone will learn and grow at their own pace, some will need less support and time, some more but in the end ,we believe with love and support from school and home, our students will accomplish their determined goals and will learn and grow. I take this opportunity to extend my gratitude to our Principal for always being a guiding star and inspiration behind all my big and small and there was I thank my colleagues for their encouragement and support. I would like to close this message with a quote of “George Evans “

"Every student can learn,

Just not on the same day

or in the same way.”

May God bless us all

With warm wishes.

## Jr. Co-ordinator's Message

***"Education is the passport to the future, for tomorrow belongs to those who prepare for it today." —Malcolm X***

The publication of our Annual School Magazine is to celebrate the many accomplishments and achievements that have been made by the students and staff of St. Patrick's Academy, Manendragarh in the past years. Those were the years of achievements and victories, of facing new challenges, overcoming the challenges and reaching greater heights of glory. Our life is a journey. We learn and experience something new every day. We not only impart in-depth knowledge of a particular subject but at the same time ensure constant growth of the students. Problems exist in everyone's life but we frequently remind the students not to be afraid of failure but to strive hard to achieve success for excellence and good leadership. It is possible when we build up good leadership. It is possible when we build up good attitude and conduct. We also learn to become disciplined to see things in proper perspective. There are ups and downs in life and we need to accept the challenges and win at all costs. Physical activity and games enable the students to learn to cope and to be fit and healthy persons. If you work hard then goals are achieved easily. Consequently, our struggles will vanish within no time and our achievement will be remembered. Even as we impart education to match the advancement in technology and globalization, we march our children ahead with ethos of moral values and principles. We endeavor constantly to instill these qualities in our children. We pride ourselves in helping them grow and develop into sensitive and responsible citizens.

We live today in a world that is very different from the one we grew up in, from the one we were educated in. The world today is changing at such an accelerated rate that we educators need to pause and reflect on this entire system of education. Our school is well equipped to prepare our children to face the challenges that the future holds and work at implementing a well-balanced curriculum to ensure that the children who walk out through the portals of SPA will not simply conclude their school years but be truly prepared to face life's challenges.

# Editorial

Welcome to the 8th edition of the annual magazine of St. Patrick's Academy, we are really proud and exuberant to bring out the 8th issue with new hopes and hues. This issue is going to surely unfold a world of unforgettable and precious moments of our school. The magazine is to be viewed as a launch pad for the children's creative urges so that they blossom naturally. As the saying goes, "a mind is like a parachute, it works only when it is open." This humble initiative is to set the budding minds free and allowing them to roam free in the realm of imagination and experience so that they can create a world of beauty through words. The enthusiastic write ups of our young writers are indubitably sufficient to hold the interest and command the admiration of the readers. This souvenir is indeed a pious attempt to make our budding talents give shape to their creativity and learn the art of being aware because I believe that or success depends upon our power to perceive, power to observe and the power to explore. We are sure that the positive attitude, hard work, sustained efforts and innovative ideas of our young buddies will surely stir the mind of the readers and take them to the surreal world of unalloyed joy and pleasure. We have put in relentless efforts to bring excellence to this treasure trove. The school is an embodiment of self-respect, love, affection, sensibility,; responsibility and compassion which puts the students into a "Make a Dream" mode and makes them genuinely want to learn. We recognize, appreciate, applaud and foster the fine blend of sensibilities in a child changing their outlook from drab and demoralized to bright and expectant. This school attains its eminence in the first place through the achievement of children. The magazine also espouses the school's spirit which is built up through the collective actions, thoughts and aspirations. All these, I believe would spur higher growth and enterprising nature in children.

It gives me immense pleasure to ensure that this magazine successfully accomplishes its objective. The reflection of the students' creativity and achievements is the epitome of the magazine. Students have put forth their ideas and thoughts that are too deep to be expressed and too strong to be suppressed. This magazine before you is an ode to the combined efforts of the Editorial Board. I take the opportunity to thank all the contributors as their contribution is the reason that makes this magazine endearing to our readers.

I am really thankful to our respected Principal for entrusting us with the responsibility of editing. I take this opportunity to thank all the dignitaries for sparing time to send their best wishes for the magazine in the form of 'Messages'. I heartily send my best wishes to all the readers and hope they will enjoy flipping through this souvenir. I hope that this magazine will play a vital role in the showcasing the all-round development of the students.

#### “HINDI HAMAARI SHAAN HAI; DESH KA ABHIMAAN HAI”

Language and culture of any country plays an important role in making people to connect with the other people and helps in making a strong nation. Hindi is a language of love, togetherness and brotherhood. HINDI DIWAS is celebrated on 14 September with great pride and vigor as Hindi was adopted as the official language of our nation, India on September 14, 1949. To pay tribute and to mark the importance of country's most widely spoken language, we celebrated Hindi Diwas in the third week of September 2021 during the online classes and offline classes. Special assembly was held in each class where students were encouraged to recite Hindi song along with the Hindi prayer. Thought of the day was also explained in the same language and it was followed by a talk on the importance of Hindi language. Teachers informed the children that Hindi is a very rich language and has made major contributions to the field of literature.

Poetry recitation is an art of expression of thoughts and understanding towards a language. Rhymes not only develop a child's speaking skills but also help express his gestures. They also help to inculcate love for Hindi language in our students. The little learners were encouraged to recite one Hindi rhyme of their choice with actions. They enthralled their teachers and friends with their articulation and memory skills while reciting rhymes.

It was a pleasure to watch the little ones recite the poems so confidently. Teachers encouraged the students to use Hindi in their daily life without any hesitation and respect their national language. Everyone made their sincere efforts to use Hindi as a medium of conversation for the day.

***"Give the girl child, wings to fly, let her blossom and touch the sky."***

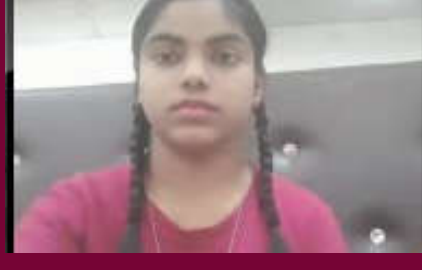

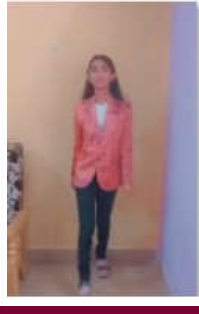

Girls and Women are the primary caretakers of children and the elderly in every country of the world. International studies demonstrate that when the economy and political organization of a society change, young women(girls) take the lead in helping the family adjust to new realities and challenges.

On International Girl Child Day, we organized various activities through a virtual platform to recognize girls' rights and the unique challenges they face around the world. The purpose of the celebration was to increase awareness on the importance of girl education, and their health and nutrition.

Many students of Class X and others were given the opportunity to speak on the Observance of International Girl Child Day.

Miss Anjali Chikaldekar as chief guest envisioned us that the day increases awareness about the gender inequality faced by women all over the world. She insisted that one should understand that gender equality can help the inequitable future of the girls as they are no less in breaking boundaries and barriers. She highlighted the fact that the girls are the epitome of strength, love, sacrifice, and courage. She gave an insight into the various schemes like "Beti Bachao, Beti Padhao" implemented by the Indian Government to empower girls for their sustainable development and end-all kind of discrimination towards them.

Celebrations continued with the small acts presented by the charming and gorgeous girls of classes wherein they acclaimed all the achievements that the girls have attained in various fields like sports, politics, or academics. With the encouragement of co-education, girls are now marching side by side with men, in every walk of life and have proved that the girls are the blessings, not the burden.

On 26th January 2022. The 73rd Republic Day was celebrated with a lot of fanfare and grandeur at St. Patrick's Academy, Manendragarh. Students and teachers from all the classes participated in the plethora of cultural programs which took place in the online and offline mode. The day began with the hoisting of the national flag by our Principal Rev. Bro. Edison at 9 am. The entire assembly of staff sang the national anthem immediately after the flag hoisting.

## The future belongs to those who believe in their dreams."

It was indeed a special morning for all of us – the management, staff, students and parents of SPA. This occasion evoked unparalleled fervour in all of us. We witnessed a harmonious blending of the school with the home and the society. It was the morning of Wednesday, February 23rd where guests, well-wishers and parents had all gathered to take part to celebrate the inauguration and blessing of 3rd Phase of the SPA building. It was indeed a long-cherished dream came true after months of planning, engineering and hard work.

This momentous occasion was graced by eminent Patricians Province Leader Rev. Bro. Jerome Ellens, Fr. Fr. James Xalxo, Fr. Karius, Superior Rev. Bro. Antony KJ, our Principal Rev. Bro. Edison.

The programme commenced with a prayer song led by the school choir followed by Bible reading and a welcome speech. All the guests, teachers and students then proceeded towards the New Phase of the Building for the inauguration. Provincial Rev. Bro. Jerome Ellens, Fr. James Xalxo and Fr. Karsius, Superior Rev. Bro. Antony KJ, Principal Rev. Bro. Edison, the Engineer and Building Contractor cut the inaugural ribbon.

Fr. led the gathering into prayer and blessed the new building by sprinkling Holy Water.

The programme began with a welcome dance performed in an authentic Indian cultural style, followed by an audio-visual presentation on the History of School. Teachers shared their memories of our school from the beginning year of 2006 onwards. Mr. Rajeev Gupta, the Engineer and Mr. N. Arjunan, the Contractor in presented a shawl and a memento as a token of our love and gratitude.

Province Leader Rev. Bro. Jerome Ellens addressed the audience, "I feel proud to be in this auditorium, because this is the area where I used to take my daily walks, and now I have the privilege to be part of the inaugural ceremony and talk to you in this beautiful building. Yes, we should all know that education plays a vital role in a student's life, and the dedicated nuns always make sure that their students get the best education for their future career. At the same time students, after they graduate from the school, should not forget their alma mater. We should remember and show our gratitude to the teachers who educated us and taught us good manners. I am very impressed with this school with all the opportunities and facilities they provide to their students.

During the vote of thanks, our principal expressed his joy and gratitude for this momentous occasion. He thanked all those attending. He went on to say that that was a dream long overdue and has finally come to fruition.

"We plead God to shower our new building with your blessings. We hope that this temple of learning will stand strong for years to come, shining the light of truth and knowledge. We pray that it fulfills the real purpose of education. Coming together is a beginning, keeping together is progress, working together is success: this is the philosophy at our beloved school SPA. The smooth functioning and evolution of SPA is because of the combined effort of all its family members– the Management, staff, students, parents, well-wishers and anyone who was a part of realizing the dream of St. Patrick's Academy Manendragarh.

# Happy St. Patrick's Day

St. Patrick demonstrated the meaning of the Holy Trinity - the Father, the Son and the Holy Spirit - by showing the public that the shamrock is one leaf with three parts, just as Christians believe God is one entity with three persons. 17th of March the Saint Patrick's Day holds a very special place in the hearts of the SPA family. Every year the day is celebrated with great enthusiasm and zeal.

The day began with the ceremonial prayer service by teachers which was followed by a song. A tableau was presented on the life of St. Patrick and a well-choreographed dance was performed by the teachers. The program concluded with the encouraging speech given by Rev Bro. Edison who reminded all of us about the great work done by our Patron St. Patrick to improve the lives of men and how his legacy is being continued all across the world.

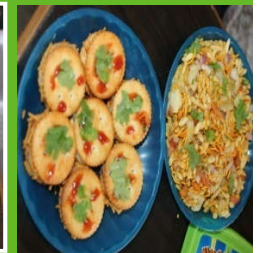

Happy  
St. Patrick's
