Editorial Board Message

"The moment goes by, the memory remains. The journey goes by, and the experience remains. Time passes by, and the emotions remain."

The PATRICIAN is simply a chronicle of the events that transpired in the school. It is also a memorabilia for each Patrician, defining who we are. It is distinctive to us. The articles, messages, poems, and ideas are philter of the sweetest mirth in itself. I can assure you that the editorial board has endeavored to drink every drop of this mirth with great zeal.

I would like to thank my fellow members of the editorial board who gave their best to produce this annual Issue. My heartiest gratitude to our Principal Rev. Brother Antony K. J., whose assistance and encouragement were of paramount importance to us. A special word of thanks to the entire SPA family cadre. Your spirit is solemnly imbibed into the magazine.

from the Office of The Principal

Congratulations to everyone.

In a globalised world with ever changing technological revolutions, reinventing, and upgrading skills are a necessity to climb the ladder of success. The ability to learn and adapt is important with time and situations are crucial in changing times especially after the experience with Covid 19. St Patrick's Academy, founded in 2006, strives to fulfil its mission to provide educational opportunities to all to excel in life by developing academic excellence, nurturing values, creating civic responsibility, and building global proficiencies in a dynamic environment. The school is an abode of learning sustained on the pillars of faith,

M E S S A G E

integrity, dignity and excellence.

Every school has its own ethos, traditions and identity. SPA fosters an atmosphere of truth, love and respect for each student as the basis for sound education. School years are crucial for the development of good habits and character which are the building blocks of excellence. The habits of students, the love of learning and the pursuit for success, the responsible use of freedom, personal integrity and willingness to help to improve society are very important. These tools are you must use to empower yourself to become an excellent professional and a mature and responsible citizen.

From the very commencement SPA has been making a relentless effort to approximate newer realms of knowledge. However, our efforts are also focused on providing opportunity to each child to explore his or her own capabilities and area of interest. For this we have provided each child with many activities both co-curricular and extracurricular to help the child become a Global Citizen. It is our aim to help all students achieve a level of excellence in their chosen area.

We pay our tribute to the pious soul of Late Rev Bro Joachim Guria (A Pioneer Patrician to initiate Chhattisgarh mission) for his contribution in the field of education. You are the inspiration behind our work, the reason behind our being. May your gentle soul rest in peace.

I am immensely grateful to the entire Province Leadership Team who visited SPA for the first time since its inception. We would like to appreciate them for their valuable suggestions and concern for the institution. We are delighted to be honoured with the citation received from the Chhattisgarh government for securing the overall award for Swachh Vidyalaya Puraskar 2021 - 22 in the Koriya district for the first time. This award is dedicated to the silent swachh warriors of our school i.e., the co-workers who did their best to keep the campus as clean and best as possible. We are grateful to our outreach programme committee members for their generosity in contributing their mite to the needy and the less privileged. The representatives of the social service club who visited the Blind school and the local village where generosity was bestowed upon the neediest and the less fortunate people in the locality. It was possible only by you students and our ever-cooperative parents. Thank you, so much dear parents, and guardians, for your unconditional support and assistance. May God help all your endeavours. This year I would like to mention the achievements of the sports department for their relentless effort in participating in the CBSE national level competitions held at Varanasi. We fought well and secured very close to the positions but this itself shows the strength and confidence in them that they can achieve greater heights. Congratulations to all our cluster winners and the participants at the nationals. You brought cheers to your alma mater, town and to yourselves. May God bless you to conquer many more such opportunities. Once again, I am here with profound gratitude would like to appreciate all our stake holders (parents, teachers, well-wishers and beloved Patricians both Past & Present) for your never-ending support and rapport towards the noble profession of teaching and learning activities in SPA. It was a wonderful experience of knowing you a little for the last two years. Now I am being transferred to another school of ours in the South. Hope to see you all. May St Patrick our heavenly patron and Bishop Daniel Delany our courageous founder bless us all. Together let's move along, as we all sincerely believe to REACH HIGHER. I appreciate the effort taken by the editorial team of The Patrician to bring out this publication.

Vice-Principal's Message

"Education is not the learning of facts, but the training of the mind to think."

- Albert Einstein

This quote is very apt, as I preview some of the aims of education. Presently with all the electronic gadgets available to our children, there is less space for them to be in their own thoughts and dreams. The school has a great challenge and responsibility today to provide an atmosphere of such kind.

SPA, Manendragarh at 17 years of its foundation has grown in all aspects of a learning institution. It is a commendable note that the students and parents can move beyond the odds even in this rural set up. The school is growing up through past and present leadership by their contribution in its academic and infrastructural growth.

No doubt there are enough resources and things to sustain for 1.40 billion people of our country to move forward, yet a challenge for us to make our mind and hand creative for the development in every sphere of human life. Together with SPA family we are on the path of shaping our children for an idealistic society and country. Together it is our wish to sing a new song years ahead of brotherhood and sisterhood, of just and caring society for each human and an aspiration to care for the mother earth, for the future generation.

May God bless all in abundance.

Jacques Delors had rightly said that "Education is based on the four pillars of Learning to Be, Learning to know Each Other, Learning to Do and Learning to Live and Share together".

Education means an all-round development of human potential and personality - physical, mental, moral and spiritual. Education, paves the path to knowledge and knowledge leads to wisdom. Merit and excellence should be our watchwords and service to humanity our motto.

Today's education system faces a greater challenge in terms of imparting the right knowledge and the apt experience that blends to create wonderful, young and successful students. We at St. Patrick's Academy provide every treasured child a platform to move with a positive mind full of confidence so that he/she grows up to become a strict disciplinarian and takes his country towards prosperity.

The world has become highly competitive. And to prepare our students to face the stiff competition, St. Patrick's Academy has adopted a pedagogy that caters to ever-changing challenges both in society and place of work. We concentrate on the overall development of our children that helps them overcome the adversities of life. We plan to arm the students with appropriate skills and a wide range of opportunities that would create in them the power to introspect and become great achievers in life. We educate them about the importance of clean and green surroundings, provide them with social and practical platforms, teach them to help the poor and the destitute, up skill them to take vital decisions at the blink of an eye and infuse in them the obligation of preserving life on this beautiful planet by prolife rating the message of peace.

At St. Patrick's Academy we continuously equip our teachers with simple yet innovative learning strategies that help them to teach more effectively in turn making the students academically inquisitive, scientifically innovative and emotionally strong.

The school's genuine concern ensures student's emotional growth along with intellectual excellence. This empowers them to develop their self-esteem, self-awareness and self-confidence. Sharing ideas, analyzing situations and expressing them confidently are essential skills which will honed here, through Experiential Learning.

It gives us a sense of pride when we see our children touching the great heights in life without compromising the qualities of honesty, benevolence, empathy, tolerance, discipline and respect for others.

Dear parents I welcome you to a partnership which aims at moulding our children in such a way that they become the true global citizens of India. "With the paradigms of education ever-changing, let's take the arc of history in our hands and build a better and safer tomorrow in imaginative and innovative ways".

Wishing all of you God's abundant Grace and guidance

Nehru House

Time is not measured by the passing of years but by what one does, what one feels, and what one achieves."

Nehru House has got its name upon India's first Prime Minister Pandit Jawahar Lal Nehru, who had true love to share with the children as he believed that these children are the strong foundation of a prosperous and happy nation so full of effervescent youth and this can truly be witnessed in the competitive and enthusiastic spirit of the members of this house. Nehru was deeply concerned with carrying India forward into the modern age of scientific discovery and technological development. Apart from his stress on secularism and on the unity of India, despite its ethnic and religious diversities. In addition, he aroused in his people an awareness of the necessity of social concern with the poor and the outcast and of respect for democratic values.

Objectives of Nehru House

- To achieve unity of participation and uniform growth among all the students with the use of interactive modeling.
- Inculcate and increase the feeling of trust in one's abilities, qualities and judgment.

With these purposes Nehru House has participated in all the Inter House activities organized in St. Patrick's Academy like PAT Fest, Mini Marathon, Annual Sports day etc. Being green in colour this house symbolizes growth, harmony freshness and environment. Moto of the house is "if going gets tough, the tough gets going." Nehru House has always "Lighted the Way" for the young students so that they gain enlightenment. Throughout the year all the members of this house fought to finish the task and it gave us pleasure to watch the students as they held up in the face of stiff competition. Everybody was enthusiastic

about participating in every event and tried best to win the competition.

Hard work and preserverence is not by the tool through which member of Nehru carve their path in the direction of victory. This session (2022-23) under the leadership of House Captain Md. Owaish, Assistant House captain Priya Kewat, Prefects Naved Ahmed and Shilpi Tamrakar, our students have given us many moments to cherish by bringing laurel's to the name of the Nehru House. Not only Nehru house won the the trophy of Annual sports day but also it has been selected the best house for group dance and English skit in PAT Fest.

"We live in a wonderful world that is full of beauty, charm and adventure. There is no end to the

adventures we can have if only we seek them with our eyes open." -Jawahar Lal Nehru

RE-OPENING OF SCHOOL APRIL

LABOUR DAY

All labour that uplifts humanity has dignity and importance and hence should be undertaken with painstaking excellence." To pay reverence and to show love towards the supportive staff of St. Patrick's Academy, the students of class X-A and B organized a special assembly on behalf of St. Patrick's Academy on 25th April 2022. The event started with an opening prayer followed by traditional prayer dance by class X girls which embellished the beauty of the function. One of the students from class X also delivered a speech on the importance of labour day. Students also performed a small skit based on 'Child Labour is Illegal.' Anything that we could ever do for them would seem to tend to zero in comparison to the infinite things they do for us. For their long and dedicated service in the school, the co-workers were felicitated with gifts by principal Brother Edison and our community leader Brother K. J. Antony. These saviours of this institution have worked as a semi-permeable membrane always allowing freshness and happiness to enter the school and keeping dirt away from it. If the graph of their hard-work with respect two time would be calculated, we would always get a constant graph parallel to the time axis. The words coming from the mouth of a leader can increase the potential of an individual and can point him towards the right field in life. The programme came to an end with such words spoken by our respected principal Bro. Edison regarding the never-tiring and the forever smiling nature of the co-workers. Indeed they are the proud members of the blessed St. Patrick's Academy.

"Each small task of everyday life is a part of the total harmony of the universe." All human beings are important in their own way. Develop an attitude of gratitude and appreciation for work that others do for us.

LABOUR DAY

Eid-UI-Adha

Eid-UI-Adha was celebrated on 08th July 2022. This special assembly was conducted by class-9th A & B. This is the feast of the sacrifice. And the second largest of the two main festivals celebrated in Islam. It honours the willingness of Ibrahim (Abraham) to sacrifice his son Ismail (Ishmael) as an act of obedience to Allah's command. Before Ibrahim could sacrifice his son however Allah provided him a Lamb which he was supposed to kill in his son's place because of his willingness to sacrifice his own son in the name of God. In commemoration of this intervention animals are ritually sacrificed. Part of their meat is consumed by family which offers the animals while the rest of the meat is distributed to poor and the needy. The day is also called Greater Eid.

OUTREACH PROGRAM-2022-23

Hein Wagner is living proof that despite the challenges that come our way, anything is possible. He does not allow his blindness to stand in the way of his dream and people often refer to him as the blind man with exceptional vision.

Class 9th 'A', all Patricians along with Principal Brother Anthony kJ, Junior co-ordinator, mam Anima, Class teacher mam Prima and other teachers went to "Blind Handicapped Teaching Training School, Aamakherwa, Mandendragarh."

Students visited Blind school and understood the living style of blind children. Students were surprised that without vision, how these students and people complete all their tasks without any help, whether playing, reading or daily routine of their personal life.

Principal Brother Anthony KJ presented bookselves to the blind school on behalf of SPA and for which the Manager of blind school thanked the Principal, teachers and the students.

In the last of this outreach program Brother Antony kJ in his speech said; "living with a vision impairment can be difficult, but it can also be truly wonderful. You may feel like life isn't going your way and you are having to jump over a countless amount of hurdles. He said - I want you to know that you can do it. Your hard work and determination will get you through it. SO NEVER GIVE UP."

Students Should Get Limited Access To Internet

After covid, most of the students are exposed to mobile phones and internet for a long time. During covid mobile phones and internet played a major role in the education of children. But most of the children got addicted to mobile phones and internet and started a bad impact on students.

Today, we have the condition that students are giving more importance to mobile phones than their studies. This has resulted in a huge decline of their marks. As today's youths are the future of India, the addiction of smart phones is not good for our country's future.

At the same time we even cannot deny that smart phones and internet brought up a numerous platforms for the students. It also provides better way of education to undeveloped regions of our country. Internet also provides an easy communication between people and enables us to so many resources.

Internet should be the slave of humans not humans the slave of internet. We should know how to use internet wisely and in a fruitful way. We should keep watching that internet is not affecting our social life and mental health. This is most important for students. If internet is not properly then it used properly, then it may waste our lots of time.

Students should have a fix time for using internet. And in that time they should watch something that helps them to increase their knowledge, abilities, create new hobbies, learn grammar, facts, g.k., practical science experiments and many more. If we will learn to use our time wisely and productively we can achieve anything in our life. The web of internet is very huge so we should be able to find good in this web.

It is upon our will that we have to learn good or bad from a same thing.

How to Get Good Grades

There are several good techniques in making good grades. First, it is very important to attend all the classes so proportion is important. You must go to bed early, sleep well, get up and have a good breakfast. Study shows "breakfast" is the most important meal of the day, providing 50% of the nutritional support that a student needs to succeed.

Carrying an apple to class is a good addition to breakfast. Once you arrive, note making is important. Next, it is important to study and review notes immediately after class while the information is fresh. That way you can study the things that you didn't understand well in class. Making time to study after each class prepares you for the queries and studying after each lecture makes the final exam much easier as you will only have to do a little review.

It is of course very important to complete all homework assignments. Lastly the most important ingredient needed to make good grades is the right attitude. If you want to make good grades, it is easier to put in time required to work and study hard with the appropriate dedication and planning the path way to good grades are as simple as following a recipe for success.

Imagine
you and me
in a world
of freedom

A Bright New Day

To worship God
is the best way
to start a new day,
Full of surprises
and blessings.
God loves to give
his dear children
the very best
call unto him.

With all your heart
listen to the music
of the psalms.
It's a bright new day
with fresh, radiant hopes
and sparkling dreams
God makes all things new
let us rejoice and pray.

Maths, Maths, Maths

*Down with old Pythagoras
And down with rotten maths.
Down with Archimedes
And drown him at the baths.*

*If anyone had to do it
I'd make sure it was me
First I'd wholly immerse him,
Then kite him up a tree.*

*When he had been disposed of,
I'd turn on old Pythagoras
I'd drag him through a holly bush,
And he'd come out like a rag.*

*Now my pipe dream's over
And I've nothing more to say
Except that Maths still lives on
To be taught another day.*

Save Tree & Save Your Life

Trees and plants are very important for the survival of mankind. The importance of planting a tree has been emphasized time to time because tree gives numerous benefits to everyone. They make the world better to live in. They give us oxygen and absorb harmful gases and give us fresh air to breath. Trees also built a sheet to protect us from the harmful ultraviolet rays. Not only this have they served as a habitat for thousand of species of animals, birds, insects etc. trees are the lungs of the world. They provide us the shade and also save us from soil erosion, floods and droughts. However due to cutting down trees, humans are disturbing the ecological balance and because of this many species of plants, birds and animal have become extinct. We should grow more and more tree and should practice afforestation because it is only way by which we can protect our mother earth.

"Save trees and save your life".

-Sneha Shrivastava (IX-B)

Plastic Pollution

We must use alternatives like cloth bags and paper bags instead of plastic bags. If we are purchasing plastic, we must reuse it. We must avoid drinking bottled water which contributes largely to plastic pollution. The government must put a plastic ban on the use of plastic. Plastic pollutes our water. Each year tons of plastic are dumped into the ocean. This means we won't be left with clean water in coming years.

STEADFAST FRIENDS

Once upon a time, there was three friends- Preeti, Geeta & Rani. They all are friends and always enjoying all the days. One day the Badminton match selection is going on and Preeti was selected and both are disqualified. Rani was feeling jealous and broken her friendship with her but Geeta never give up and never broken her friendship. Before the selection Rani was good and leaves happily but after the selection her attitude was changed she always lives alone and always blame to each other and Geeta and Preeti are friends for a long time.

Moral of the story:

The steadfast friends means those who live with us and never broke friendship for a long time and this is my hardly request to you that never broke friendship because in our life a good friend is important in many ways.

Importance of Freedom

The ultimate desire of each animal is freedom. The freedom is very important for everyone as well as humans and animals. Freedom is defined as the state of mine where he has the light and is given to do what we can do. We also hunt animals for our benefits but the ultimate goal of all animals is freedom. The main emphasis is- we need to feel freedom from within. The real meaning of freedom is the Beginning of freedom. Goal

Life and a goal
They both are a Globe
If you will not mind it
You won't shine it

An artificial gold made from your soul
Mould your soul to make it hold
It's your task that you have to ask

It's a candle with a flame
Now, it's on you
What you need and have to choose
Make it shine in the night
Or Waste it in the light
Life and a goal
They both are a Globe.

Nature

Nature is the best part
After taking all apart
I get to know this
After listening to my heart
God is very smart
Given every one heart
But why he made nature
Also its part
I touched a tree's heart
When I feel hurt
Then I realized how foolish I was
I felt so jealous
Why they have art of this level
I think that's why you are
Called as Mother.

राष्ट्रीय मतदान दिवस के नादे

उत्तम जिनके काज है, मंशा जिनके नेक।
आज उन्हें मतदान करें, हो पांच वर्षों का अभिषेक॥

शिव से कहती पार्वती, मानव बड़ा महान।
मतदान दिवस पर मतदान कर, अब जान संविधान॥

नारी अब पीछे नहीं, चलती नर के साथ।
100 प्रतिशत मतदान कर, बढ़ाई अपना हाथ॥

नहीं पता था नोट के बदले वोट का, कैसा है अंजाम।
सत्ता पर यदि आ गई, भूलेगी देशहित और काम॥

कठिन हुई इस दौर में, सच्चे नेता की पहचान।
अगर चूक गए वोट से, तब होगा देश को नुकसान॥

18 वर्ष पार कर, लोकतंत्र को जान।
मतदान कर, कर लिया, जैसे गंगा स्नान॥

सरहद पर सैनिक लड़े, यदि चुनाव में इमानदार वीर।
दोनों से सुरक्षित रहे, तब भारत माता का वीर॥

वोट एक भी न चुके, करो आप मतदान।
खुद की आंखों में उठे, ऊंचा फिर इंसान॥

कर पाओ यदि तुम नहीं, मत केन्द्रों में मतदान।
शिविरों में सहयोग दे, पूर्ण करो अभियान॥

गिरगिट, बगुला, लोमड़ी राजनीति के खास।
नोट के बदले वोट का, करते वो बरसात॥

हर आंगन में हो खुशी, हर दिल में उल्लास।
सही उम्मीदवार चुनने का, सबको हो अहसास॥

प्रवासी भारतीय लौट कर आएँ, भारत मां की इच्छा है।
सच्चा नेता चुनकर लाएँ, यही अपनी परीक्षा है॥

खड़े हुए सुर पांत में, ऊंची उनकी शान।
बिना भय-लालच के, आओ करें मतदान॥

शुभ करने का मिल गया, ऊपर से आदेश।
गांव-गांव ले चल दिए, मतदान का संदेश॥

सोच समझ कर देते रहे, सच्चे को मतदान।
खुद की आंखों में उठे, ऊंचा फिर इंसान॥

प्रकृति को सुंदर बनाए

क्यूँ न सहेज कर रख लें, इस प्रकृति को
आने वाले कल के लिए,
आने वाले अपनों के लिए
ये कटते वृक्ष
ये सूखती नदियाँ
ये सिमटते पर्वत
एक रोज, यूँ ही खत्म हो जाएंगे
आज हम कुछ कर सकते हैं
इस रोती हुई प्रकृति के आँसू
हम पोछ सकते हैं
खतरे में है वन्य जीव सब,

मिलकर इन्हें बचाना है
आओ हमें इस प्रकृति को बचाना है।
पेड़ न काटे बल्कि पेड़ लगाना है
वन है बहुत कीमती इन्हें बचाना हैं।
पेड़ पौधों को पानी दे,
जीवन को यह निशानी दे
आओ पेड़ लगाए हम,
पेड़ लगाकर जग महकाकर।
जीवन सुखी बनाए हम
आओं पेड़ लगाए और प्रकृति को सुंदर बनाए।

“पेड़ लगाए, धरती को सुंदर बनाए”

पेड़ का हमारे जीवन में बेहद महत्व है। पेड़ों से हमें ऑक्सीजन मिलता है, जिसके कारण हम यब जीवित हैं। पेड़ पौधे के बिना मनुष्य का जीवन अधूरा होता है, पेड़ हमारे सच्चे मित्र होते हैं, क्योंकि वह हमें बिना किसी स्वार्थ के हमें अनेक चीजें प्रदान करते हैं। पेड़ हमारे लिए हर प्रकार से उपयोगी हैं। पेड़ हमें स्वस्थ बनाते हैं। पेड़ से हमें फल, फूल, छाया मिलती है। अगर धरती पर पेड़ नहीं होंगे तो जीव-जन्तु और मनुष्य को शुद्ध हवा नहीं मिलेगी, जिससे लोग बीमार पड़ने लगेंगे और एक दिन ऐसा आएगा कि दुनिया खत्म हो जाएगी। फिर भी आज के समय हम मनुष्य अपने स्वार्थ के लिए पेड़ों को खत्म करते जा रहे। पेड़ों की कमी होने की वजह से जल, वायु, ध्वनि प्रदूषण इन सब में बहुत अधिक वृद्धि हो रही है और इस वजह से धरती पर गंभीर बिमारियाँ फैलती जा रही हैं। पेड़ों की कटाई के कारण जंगल समाप्ति की ओर आ गए, जिसके कारण जंगली जानवरों को रहने के लिए जंगल में जगह कम पड़ने लगी है। जिस कारण कई जानवर शहर की ओर आ जाते हैं और कई लोगों और उनके घरों को नुकसान पहुंचाते हैं। शहरों में पेड़ों की कटाई सबसे ज्यादा देखने मिलती है जिसकी वजह से शहरों में ना तो शुद्ध हवा है ना शुद्ध वातावरण। अगर हम वृक्ष लगाएंगे तो कल वह हमारे काम आएगा। इसलिए हमें इस प्रदूषित पर्यावरण को पवित्र बनाना है और साथ मिलकर वृक्ष लगाना है। और दूसरों को पेड़ काटने से रोकना है और बताना है कि- पेड़ लगाए-पेड़ बचाए इस दुनिया को सुंदर बनाए।

-रुहेहा श्रीवास्तव (9 ब)

पर्यावरण संरक्षण

हमारा पर्यावरण कई चीजों से मिलकर बना है। इसमें जल, थल तथा आकाश का अद्भुत मिश्रण है, जिसे हम पर्यावरण कहते हैं। पर्यावरण में पेड़ों, वनस्पतियों, जीव-जन्तु, मानव और उसके अनेक-अनेक प्रकार की गतिविधियों का समावेश होता है। पर्यावरण के कारण ही इस पृथ्वी पर हमारा अस्तित्व है परंतु आज के समय में हम अपने स्वार्थ के लिए पर्यावरण से नानाप्रकार की चीजें बिना उसके अस्तित्व को देखते हुए कर रहे हैं।

आजकल हमारे आस-पास हमें जंगल देखने बहुत कम मिलते हैं, अगर कहीं है भी तो वहाँ लोग उन्हें काटकर खत्म करते जा रहे हैं, और उन्हें वापस लगाने पर जोर नहीं दे रहे जिस कारण जंगल धीरे-धीरे विलुप्त होते जा रहे हैं। बहुत से जानवर जिनकी चमड़ी बहुत बेशकीमती है उन्हें लोग मारते हैं जिससे पृथ्वी पर जीवों के भिन्न-भिन्न प्रकार कम हो रहे हैं। इसके लिए हमारी सरकार कई कानून ला रही है परंतु उन्हे नियमित रूप से निगरानी नहीं रखी जा रही। इसी के कारण हम हमारी वायु को भी दूषित कर रहे हैं जिससे हमारे लिए साँस लेने में दिक्कत आ रही है। हमें यह याद रखना है कि पर्यावरण हमारे कारण नहीं हम पर्यावरण के कारण हैं।

दोस्त

एक दोस्त वो है जो दिल की बात बिना बोले समझे।
एक दोस्त वो है जो खुद चाहे कितना ही डीमोटिवेटेड हो पर आप को हमेशा मोटिवेटेड रखे।
एक दोस्त वो है जो क्लास में बुक ना लाने पर अपनी बुक हमें देकर खुद मार खाता है।
एक दोस्त वो है जो पाँच मिनट बोलकर पूरे एक घंटे बाद आता है।
एक दोस्त वो है जो आपको गलत रास्ते में चलने से रोकता है और सही रास्ते पर लाता है।
एक दोस्त वो है जो हर मुश्किल में आपके साथ हमेशा खड़ा रहता है।
एक दोस्त वो है जिसके छोड़ के जाने पर उसकी कमी हमें महसूस होती है।

हिन्दी दिवस

हर साल 14 सितंबर को हिन्दी दिवस मनाया जाता है। इस दिन भारत के संविधान सभा ने देवनागरी लिपि में लिखी गई। हिन्दी भाषा को भारत गणराज्य की अधिकारिक भाषा घोषित किया था।

यह हर साल हिन्दी के महत्व पर जोर देने और हर पीढ़ी के बीच इसको बढ़ावा देने के लिए मनाया जाता है जो अंग्रेजी से प्राभावित है। स्कूलों और कॉलेजों में प्रबंधन समिति हिन्दी वाद-विवाद कविता या कहानी बोलने की प्रतियोगिता आयोजित करती है। इस दिवस पर विभागों, मंत्रालयों, राष्ट्रीयकृत बैंकों और सार्वजनिक उपक्रमों को राजभाषा पुरस्कार भी प्रदान किए जाते हैं। हिन्दी हमारी मातृभाषा है और हमें इसका आदर और उसका मूल्य समझना चाहिए।

मैं हूँ हवा

मैं हूँ हवा.....

कुछ अद्भुत स्पर्श कराती,

कभी ताजी सुगंध फैलाती हूँ।

फूलों संग मैं खेल-खेल हँसती,

कभी भौरों संग गुनगुनाती हूँ।

शुद्ध हवा मैं देकर सबको,

निरोग-जवां बनाती हूँ।

सरसर करती प्रकृति की वेदना

हर कानों में गूँज उठाती हूँ।

अगर रुठ जाऊँ मैं तुम पर,

तब सर्वत्र उमस फैलाती हूँ।

घुल जाऊँ जब झरनों के संग,

नन्हीं बूंदें बन सहलाती हूँ।

लिपट पड़ी जब ज्वाला तुम पर

फू-फू कर तुम कराती हूँ।

बनीं रूह जब मैं अभिमानी,

विंगारी को और बढ़ाती हूँ।

रही सजगता मानव की जब,

पवन ऊर्जा बन, विद्युत तुम्हें दिलाती हूँ।

जहर घुला जब वायु में तब,

बन तूफान हाहाकार मचाती हूँ।

मैं हूँ हवा.....

कभी रुलाती, कभी खुशहाली ले आती हूँ।

मचा शोर चिल्लाया।

चंदू जी बे चुपके-चुपके
फ्राइड राईस खाया।

उसके ऊपर भर-भर मोगो,
चटनी सँग दबाया।

खाते-खाते पेट एक दिब,

दर्द के मारे दुखते-दुखते,
खुल गई सारी पोल।

जेर-जोर से रोना मुनके,
मम्मी झट से आई।
हाल देखकर बेटे जी का,

युवा

युवा वह अवस्था होती है जब कोई लड़का बचपन की उम्र को छोड़कर धीरे-धीरे वयस्कता की ओर बढ़ता है। इस उम्र में अधिकांश युवा लड़कों में एक जवान बच्चे की जिज्ञासा और जोश तथा एक वयस्क के ज्ञान की उत्तेजना होती है। किसी भी देश का भविष्य उसके अपने युवाओं पर निर्भर होता है। इस प्रकार बच्चों का भी वहीं तरीके से पोषण करने पर बहुत जोर दिया जाना चाहिए ताकि वे एक जिम्मेदार युवा बन सकें।

आज का युवा

मानव सभ्यता सदियों से विकसित हुई है। हर पीढ़ी की अपनी सोच और विचार होते हैं। जो समाज के विश्वास की दिशा में योगदान देते हैं। हालाँकि एक तरफ मानव मन और बुद्धि समय गुजरने के साथ काफी विकसित हो गई है वहीं लोग भी काफी बेसब्र हो गए हैं। आज का युवा प्रतिभा और क्षमता वाला है लेकिन इसे भी आवेगी और बेसब्र कहा जाता है। आज का युवा सीखने और नई चीजों को तलाशने के लिए उत्सुक है। अब जब वह अपने बड़ों से सलाह ले सकते हैं तो वे हर कदम पर उनके द्वारा निर्देशित नहीं होना चाहते हैं। युवा पीढ़ी आज विभिन्न चीजों को पूरा करने की जल्दबाजी में है और अंत परिणाम प्राप्त करने की दिशा में इतना मग्न हो जाता है कि उन्होंने इसका चयन किस लिए किया उस ओर भी ध्यान नहीं देते हैं। हालाँकि विज्ञान, प्रौद्योगिकी, गणित, वास्तुकला, इंजीनियरिंग और अन्य क्षेत्रों में बहुत प्रगति हुई है पर हम इस तथ्य से इनकार नहीं कर सकते हैं कि अपराध की दर में भी समय के साथ काफी वृद्धि हुई है। आज दुनिया में पहले से ज्यादा हिंसा के एक प्रमुख हिस्से के लिए युवा जिम्मेदार हैं।

युवाओं के बीच अपराध को बढ़ावा देने वाले कारक

कई कारक हैं जो युवा पीढ़ी को अपराध करने के लिए उकसाते हैं। यहाँ इनमें से कुछ पर नजर डाली गई है-

- शिक्षा की कमी
- बेरोजगारी
- पावर प्ले
- जीवन की ओर पनपता असंतोष
- बढ़ती प्रतिस्पर्धा

यह माता पिता का कर्तव्य है कि वे अपने बच्चों का पोषण करें और उन्हें अच्छा इंसान बनने में मदद करें। देश के युवाओं के निर्माण में शिक्षक भी प्रमुख भूमिका निभाते हैं। उन्हें अपनी जिम्मेदारी गंभीरता से निभानी चाहिए। ईमानदार और प्रतिबुद्ध व्यक्तियों को पोषित करके वे एक मजबूत राष्ट्र का निर्माण कर रहे हैं।

परी कथा

एक समय की बात है, जब एक नन्हीं सी, छोटी सी, प्यारी सी, चुलबुली सी परि का जन्म एक भरे पूरे परिवार में हुआ। परि अपने पहलौंठे बेटे की पहली औलाद थी। सबने परि पर बड़ा लाड़-प्यार जताया। वह संयुक्त परिवार में बढ़ने लगी। दादा-दादी, दो बिन ब्याहे चाचा, एक बुआ बी भी कुंवारी। इनके सानिध्य में परि पढ़ने-बढ़ने लगी। सबका प्यार परि को मिलने लगा।

टचानक दो साल बाद परि के परिवार का माहौल बदलने लगा। परि के माता-पिता चिंतित हो गए। कारण था परि के छोटे भाई का जन्म होने वाला था। चूँकि परि का जन्म औपरेशन से हुआ था, इसी बजह से उसके भाई का जन्म भी औपरेशन से होगा। यह बात परि के माता-पिता को पहले से ही पता थी। इसी दौरान परि की दादी उन्हें छोड़कर गाँब जाने का मन बना ली थी। परि के माता-पिता की लंब मरिज होने के कारण परि की दादी परि की माँ को उतना पसंद नहीं करती थी। परि की दादी अपनी पसंद की लड़की से अपने बेटे की शादी करवाना चाहती थी। अंततः वह परि एवं उसके माता-पिता को छोड़कर चली गई। परि के माता-पिता परेशान हो गए, चिंता में डूब गए, कैसा होगा ? क्या होगा ? परि के पापा के चाचा-चाची ने निर्णय लिया कि वे परि को अपने घर ले आर्येंगे ताकि परि के पापा-मम्मी को कम परेशानी हो। घर लाने पर रास्ते में परि बहुत खुश थी क्योंकि वह पहली बार इतनी दूर यात्रा कर रही थी। नया-नया जगह उसे अच्छा लग रहा था। घर पहुँचे रात हो गई परि को अपने माता-पिता की याद आने लगी। वह बहुत रोने लगी। परि की चाची बहुत कोशिश की कि वह चुप हो जाए पर बहुत मसक्कत के बाद वह सी गई। सदीरे उसने.....

मेरी प्यारी माँ

मुझे मेरी माँ बहुत पसंद है। क्योंकि वो सिर्फ मेरी माँ नहीं बल्कि मेरी दोस्त भी है। मेरी माँ हमेशा मेरी चिंता में लगी रहती है। वो हर सुबह जल्दी उठकर हमारे लिए नाश्ता बनाती है। मेरे लंच बाक्स में स्वादिष्ट भोजन रख देती है। जिससे हम स्वस्थ रहते हैं।

मेरी माँ हम सभी की इच्छाओं को पूरा करने के प्रयास में लगी रहती है। हमारी इच्छाओं को पूरा करने के लिए वो अपनी खुद की इच्छाओं को दबाती है।

मेरी माँ हमेशा मुझे अच्छे मार्ग पर चलने की सलाह देती है। वह जीवन में कुछ बड़ा करने के लिए हमेशा मुझे प्रेरित करती है। मेरे पिताजी को बड़े-बड़े निर्णय लेने में मेरी माँ मदद करती है। मैं अपनी माँ के अच्छे स्वास्थ्य के लिए हमेशा प्रार्थना करता हूँ।

मेरे पिता मेरे आदर्श

वो व्यक्ति जिसकी मैं अपने जीवन में सदा प्रशंसा करता हूँ, वो केवल मेरे पिताजी हैं। मैं आज भी अपने पिता के साथ बिताये बचपन के पलों को याद करता हूँ। वो मेरी खुशी और आनंद के वास्तविक कारण हैं। मैं जो भी हूँ, उनकी वजह से हूँ क्योंकि मेरी माँ रसोई और घरेलू कार्यों में व्यस्त रहती थी और भाई के साथ खुशी मनाते हैं। मैं समझता हूँ कि वे दुनिया के सबसे अलग पिता हैं। मैं अपने जीवन में ऐसे पिता को पाकर खुद को बहुत धन्य मानता हूँ। मैं हमेशा ईश्वर को धन्यवाद देता हूँ कि उन्होंने मुझे ऐसे अच्छे पिता के परिवार में जन्म लेने का अवसर दिया।

वे बहुत तंदुरुस्त, स्वस्थ, खुश और समय पाबंद हैं। वे हमेशा सही समय पर क्लिनिक जाते हैं और हमें भी स्कूल सही पर जाने के लिए सिखाते हैं। वो हमें जीवन में समय का मूल्य सिखाते हैं और कहते हैं कि अगर कोई अपना समय खराब करता है, समय उसका जीवन नष्ट कर देता है।

वे बहुत अच्छे इंसान हैं और मेरे पड़ोसियों को उनके मुश्किल समय में मदद करते हैं। वो हमेशा मेरी माँ का सम्मान करते हैं और हमेशा उनका साथ देते हैं। उनकी बीमारी के समय में किचन संभालते हैं और किचन में मदद करते हैं। और हमें भी माँ का उनका ध्यान रखना सिखाते हैं।

प्लास्टिक को न कैसे कहे?

प्लास्टिक को न कहने का सबसे आसान तरीका है कि उनके उत्पादन पर रोक लिया जाए और उसके बाद तरीका यह है कि लोगों को जागरूक करके उपयोग करने से रोक दिया जाए, लेकिन क्या हो यदि निर्माण एवं उपयोग दोनों पर ही न रोक लगाई जा सके। ऐसे में यदि प्लास्टिक को महंगा कर दिया जाए तो यह कई लोगों को इसके प्रयोग से सीधे तौर पर रोकेंगा। प्लास्टिक बैगों पर प्रतिबंध लगाना आवश्यक है। इन बैगों के कारण भूमि, वायु और जल प्रदूषण उत्पन्न होता है।

-शुभसागर सिन्हा, कक्षा-9 वीं अ

माता-पिता के प्रिय संतान

माता ही हमें जन्म देती है और माता का सबसे बड़ा उपहार उसके बच्चे होते हैं। एक माँ अपने बच्चे से कुछ नहीं चाहती है, वह बस चाहती है कि उसके बच्चे बड़े होकर अच्छे नागरिक बनें और अच्छे कार्य करें।

परंतु इस समय, माता के प्रिय बच्चे कुछ भी अच्छा नहीं करते। वे अपने से बड़ों का सम्मान नहीं करते, यहाँ तक की भगवान जैसी अपनी माता का भी सम्मान नहीं करते। आज की आधुनिक समय के मोबाइल जैसे मोह-माया में फँसकर सही-गलत क्या है भूल जाते हैं। वे अपनी संस्कृति और माँ के द्वारा शिक्षा को भूलकर, दिन प्रतिदिन अपना जीवन बेकार करते जा रहे हैं। विद्यालय में भी अपशब्दों का प्रयोग करते हैं तथा बुरे कार्य करते। माँ-पिता के मेहनत से कमाए पैसों का बेफिजूल खर्च करते हैं। बड़े हो जाने पर इन्हीं पूजनीय माता-पिता को अपने घर से निकाल देते हैं और उन्हें वृद्धाश्रम में छोड़ आते हैं।

मेरा आपसे यह ही निवेदन है कि आप यह सारे कार्य न करें और अगर कोई करता है तो उसे रोकें। अपने माता-पिता वैसे संतान बनिए जो वे चाहते हैं और सपना देखते हैं। ऐसे संतान बनिए, जिसके कारण आपके माता-पिता को अपने संतान पर गर्व हो सके।
