I am very much pleased to know that St. Patrick's Academy, Manendragarh is bringing out its Annual magazine..... for the session 2023 - 24 .

In a traditional sense the function of the school is to provide formal, theoretical and practical academic knowledge. With the first changing times in this era of competition, it has become of life - whether it be moral, physical, social and intellectual - complete freedom of expression and exhibition of their talents and potentials to the fullest so as to make them an invaluable assets not only for the country but for the humanity as well.

I hope that this Magazine will provide a healthy outlet to the students to express themselves in a tangible form and will also enable them to sharpen their mental and creative faculties and intellectual potentials and will motivate them to follow the paths of great personalities who have left their footprints on the sands of time.

I congratulate the students, teachers and Principal for their efforts in bringing out the magazine successfully.

I wish desired success to this noble venture.

Any accomplishment requires the effort of many people and this magazine is not different! The primary aim of this magazine is to make you know more about SPA Manendragarh. "Children must be taught how to think, not what to think," and to able this, our motto of knowledge, imagination and innovation is encouraged through a holistic approach. Each issue of our school magazine is a milestone that marks our growth, unfolds our imaginations and gives life to our thoughts and aspirations.

In a nutshell, this magazine had emerged from the hard work performed as per a well convinced and imaginative plan. This is the true aspiration of Patricians Or the Patricians family, Manendragarh.

**“Alone, we can do so little,
together, we can do so much.”**

Helen Keller

The theme of the year 2023-2024, “Together We Grow Better” was reflected through each academic and extra-curricular activity during the academic year. It was interesting and much positive vibes throughout the year among the students and staff, in participation in every aspect of learning, whether it was in or out of the classroom learning.

All of us are aware of the challenging circumstances of bringing up and mould together a large group of children in a school like ours. Our hearts and minds are satisfied in dealing with the students, as we nurture them initially and see them blooming into maturity to face the challenging world.

St. Patrick's Academy has given its best to bring out the unique and the best talents hidden in each child. The dedicated teaching and non-teaching staff move hand in hand with the school management to achieve our goals. The results of it could be seen in their well-round development.

The school is committed to transforming the lives of each and every child under our care. Apart from Academics, it's our great efforts to enable the students physically, emotionally, and psychologically. We wish by Collaborating with the parents and well-wishers, we will be able to give practical and scientific knowledge along with academics.

We are indebted to our dedicated staff in carrying out our plans well. The parents' cooperation is much appreciated. They have been standing with the institution and monitoring their wards as per guidance given by the school authorities.

It's our assurance that together we are growing up, towards our aim. We believe by God's abundance of care and guidance we will continue to grow to the heights.

Thank You, everyone!

May God bless us all!

JR. CO-ORDINATOR'S MESSAGE

Dear Teachers, Parents, Well Wishers, Benefactors, and Students,
Greetings!

Schooling is our first contact with the world - a period full of joy, knowledge, learning, sharing with friends and peers, pushing one's boundaries, and competing with oneself and peers to become better each day. The school becomes your second home, and the teachers, management, and staff members, are your friends, philosophers, and guide. Many people consider education as a medium of getting good jobs, living a royal life, earning money, and much more. But education doesn't really mean this. Real meaning comes when one's way of thinking gets changed and one starts thinking for the betterment of the society, country, and world at large. On the whole, education means the holistic development of a child not only restricted to the achievements of academics but also helping the child to come up with those inherited knowledge to build a better tomorrow; with a disciplined way of life.

Our children are going to be a part of a future that is highly competitive and expects the best from all. To ensure that our students make the right choices, we focus on soft skills like cooperation, empathy, and caring so that in their march toward progress, they do not fall back on being good human beings first.

Our dedicated staff and supportive management strive to provide the right ambiance to ensure that learning becomes a joyful experience. Our teachers are professionally equipped to develop adapt and modify curriculum content, pedagogy & assessment which suit the needs and aspirations of our students. We work towards a holistic, experiential, integrated, student-centered educational system that helps to improve the creativity, critical thinking, and problem-solving skills of our young learners to equip them for the ever-changing world. We educate our children to change the world through peace, empathy, and fraternity and place great emphasis on inner values and values enshrined in the Indian Constitution.

I take this opportunity to thank God Almighty for his benevolence, and generous blessings showered upon our institution through various people and events. I would like to express my sincere thanks to Rev. Bro. Sylvanus, the Principal who always guides, gives confidence, inspires, and supports us in all that we do. I extend my gratitude to all the staff members for their constant amicable support towards the institution. Finally, I want to thank all the students of St. Patrick's Academy for their contribution and the important role they play in the School to take the School to a greater height.

Thank you and God Bless You!

SCHOOL HEAD GIRL'S MESSAGE

As I stand here, looking back on my journey as a head girl, I am filled with a myriad of emotions—gratitude, nostalgia, and a profound sense of accomplishment. Serving as the head girl of St. Patrick's Academy has been a transformative experience, shaping not only my leadership skills but also my character.

From the moment I was entrusted with this role, I knew it was more than just a title. It was my responsibility to lead by example, inspire my peers, and uphold our school community's values. The journey wasn't always smooth; it demanded dedication, resilience, and the ability to navigate challenges with grace.

One of the most rewarding aspects of being a head girl was the opportunity to foster unity among students. Whether it was organizing events, leading assemblies, or simply being a listening ear, I cherished every moment spent building connections and fostering a sense of belonging. Seeing the smiles of my friends and juniors and feeling the camaraderie that blossomed within our school walls validated every effort.

As I reflect on my journey as head girl, I am reminded of the words of Nelson Mandela: "Education is the most powerful weapon which you can use to change the world." My experience at St. Patrick's Academy has shown me the truth in these words. It has been a privilege to serve my school community, and I am filled with gratitude for the lessons learned, the friendships made, and the memories created.

To the future leaders of St. Patrick's Academy, I leave you with this: embrace the challenges, cherish the moments of triumph, and always lead with integrity and compassion. Your journey as a leader will shape not only your own future but also the future of those around you. Together, let us continue to strive for excellence and to make a positive difference in the world.

Thank you, St. Patrick's Academy, for this incredible opportunity. The experiences and lessons learned will forever be a guiding light in my life.

With deepest appreciation and warmest regards.

New Academic Year 2023-24 Begins

The end is not an end, it is a full stop from where the new chapter starts. After a summer vacation school reopened on 26th June 2023.

A prayer that comes from the heart can indeed move mountains. Prayer doesn't need any particular religious language so teachers offered prayers from different religions.

After prayer, teachers from SPA sang a melodious prayer song. Ma'am Nisha introduced our new Principal Rev. Brother Sylvanus and Sports Secretary Rev. Br. Pradeep Xalxo.

After that new principal also introduced both coordinators Ma'am Nisha Raj as senior coordinator and Ma'am Anima as junior coordinator. A skit is a funny or informative play to entertain the students, teachers performed a short and funny skit.

News plays an important role in our daily life. Sir Santosh Bhattacharya delivered news headlines. After that, all the teachers of SPA introduced themselves one by one.

Thought is the simplest way to express any theme so Ma'am Arbeena delivered the thought of the day. Our new Principal Reverend Brother Sylvanus motivated all the students for their future and wished all the students for their good performance. The reopening assembly ended with the school song followed by the National Anthem.

LABOUR DAY 2023-24

All human beings are important in their own way.

On 29th of April 2023 SPA Manendragarh, celebrated Labour Day in the auditorium with aplomb to acknowledge the efforts of the co-workers of the school. The responsibility of the celebration was on the shoulders of the students of class 10th sections A and B. At first, all the co-workers were welcomed with roses and a big thunderclap.

The event began with a prayer followed by a prayer song and a welcome song. On this day students organized small colorful programs to make the Day special. Shahan Sajid delivered a speech to acknowledge the importance of the dignity of labor. After that, there was a video presentation that showed each small task of everyday life is a part of the total harmony of the universe. Different games were also organized to entertain our co-workers. A short skit also was performed which displayed how to respect their work. To display their hidden talents students performed a beautiful dance.

Tiny tots of the Pre-Primary section expressed their gratitude by presenting a small gift to each worker. In his short speech, our honorable Principal Rev. Bro. Antony KJ said that we all must learn to respect and appreciate the hard work and dedication of our co-workers. Brother also gave away prizes to the winners of the games. He thanked the students for their splendid performance. A vote of thanks was proposed by Anya Agarwal. The event came to an end with a School song followed by National Anthem. Develop an attitude of gratitude and appreciation for the work that others do for you. God wants us to acknowledge the lowly worker as our brother, only then do we acknowledge God as our father.

LABOUR DAY 2023-24

Welcome

Bro. Sylvanus & Bro. Pradeep

“Progress is impossible without change and those who cannot accept changes, cannot change anything”

“Progress is impossible without change and those who cannot accept changes, cannot change anything”

We, the patricians are well familiar with the Patrician Brothers congregation tradition, after every two or three years, the Principal Brother of the school gets transferred.

We bid farewell to our honourable Principal Rev. Bro. Antony K. J. on 6th May 2023, the same day he introduced and welcomed Rev. Bro. Sylvanus as our Principal for the new academic year.

As the summer vacation was about to start, we had a small cultural program to welcome him officially.

We are honoured to have Bro. Sylvanus as our new principal and look forward to working together to reach the next level of glory.

FAREWELL

Rev. Br. Antony

Life is like Maths, something will add, something will multiply suddenly and something will divide, unfortunately.

But the major part is the final result. What will happen next? Who knows? Only god has a plan for our life as he has already planned where we will be in the future. Farewell is a part of this.

On the day, all the SPA members gathered in the auditorium to give a big farewell to our outgoing active Principal Rev. Brother Anthony K.J.

God's creation is wonderful like God has covered everything to protect us from any type of damage or hurt. Prayer is one of the ways to say thanks for protecting us from outside difficulties. Ma'am Pratima has done a great job by delivering prayer.

Thank you is a very short word when we welcome someone. Ma'am Minaz welcomed the Principal Rv. Brother Anthony K.J. with a bouquet. Melodious wishing song presented by the teaching staff of SPA.

Time we spend is valuable for us, it can't be expressed by words, but words are a medium to express feelings. So Vice Principal Rev. Br. Lawrence, junior coordinator Ma'am Anima, Asst. staff secretary Sir Akash, Ma'am Kalpana, Sir Santosh Bhattacharya and Ma'am Pratima shared their views.

Days come and go we can't remember everything in a day, but something helps us to remember. Ma'am Deepika, Sir Sanjay and Sir Manish presented a token of love to the Rev.Br. Antony K.J.

Lastly, programme came to an end with Principal Rev. Br. Antony's blissful message.

EID –UL–ADHA

“Nothing great was ever accomplished without making sacrifices!”

EID – UL – ADHA was celebrated with great fervour and Zeal at St. Patrick's Academy, on 24-04-2024. It is a festival of prayers, joy, happiness sacrifices, and brotherhood. It is the second most important festival in the Muslim calendar. The students of class 9thA&B presented the assembly of this session on this special occasion.

The assembly began by invoking the blessing of the almighty followed by the importance of the festival. The Patricians were happy to update everyone with the news. The students beautifully explained the essence of the festival and the way people celebrate it worldwide. The story of the sacrifice of Abraham, a devotee of Allah, and his son, Ismail was explicitly portrayed by the second graders. The students were keen to share their knowledge of the five pillars of Islam with everyone and explained the meaning of each pillar. To mark the occasion one of the students offered Namaz and that made the atmosphere peaceful and blissful. The assembly ended with a school song followed by the national anthem. While greeting the students on the auspicious occasion, Principal Rev. Bro. Sylvanus stated that the main aim of celebrating different religious festivals is to spread listen of brotherhood, peace, and prosperity among the students, irrespective of their caste or religion with this beautiful and inspiring note the assembly came to an end.

GREEN DAY CELEBRATION

The Colors add beauty to nature and to our life. It brings life and newness to nature. The Green Day was celebrated on 25th August, fantastically. Our nature is green and the students learned the importance of the green color. The Green color symbolizes peace, unity, and harmony among the people. The importance of celebrating the day is, to make aware of the importance of nature and how to save nature, the environment, and our mother Earth.

Ma'am Anima welcomed all the students by giving a welcome speech and she also emphasized the importance of Green Day.

Students were dressed up in green, as plants, flowers, fruits, and vegetables, and introduced themselves. They told us the importance of plants, flowers, fruits, and vegetables in our daily lives. Each one of us learned the values and benefits of the plants, fruits, and vegetables.

The students of the class nursery performed an action song based on Green Day, which was really appreciative and attractive. Singing radiates life and energy in every single cell of our body, the same way the students of classes UKG and LKG created energy in us through their melodies singing.

As rain gives life to the creatures on the earth the environment becomes green and everything looks fresh, the same way the students brought happiness and freshness to us, through their creative and active rhymes.

Stage breaking grand finale was performed by the students. They were so happy and full of enthusiasm.

Brother Sylvanus Kerketta, the principal of our school, appreciated the students for their active participation and hard work.

Ma'am Karishma proposed the word of thanks, to all the participants and all the teachers who worked behind the curtain, to prepare the students for the Green Day celebration. It was an amazing celebration. Each one of us learned something in our life. The students too enjoyed it. It was a memorable day for each one of us.

Diwali Celebration

Just like the colours of Rangoli, Diwali brings new smiles, and undiscovered avenues with the shining Diyas and the echoes of the chants.

A day without prayer is a day without blessings and a life without prayer is a life without power. The school choir group offered prayer to God from the bottom of the heart. God can connect with all of us so the choir group sang a prayer song.

The history of India is amazing and incomparable which proves that truth triumphs over falsehood. To explain the above quote "Ramayan" is the best example of this. Students of class 4th and 5th presented a short skit about Ramayan to describe about the legends of Ramayan.

What is Diwali? Why should we know about it?

Miss Yogita explained very well about the importance of Diwali. She answered each question which kept moving around our minds.

Song is a medium that touches our soul with music and words students of class 4th and 5th sang a song on the occasion of Diwali prepared by Sir Krishna.

Celebration brings lots of fun, joy, happiness, and enjoyment but the way of celebration is a must, we should keep this in mind that not to harm others. Students of class 4th taught a lesson about green and safe Diwali by their amazing performance.

Dance is the best way to express feeling by body posture students of SPA performed a dance, which was choreographed by Ma'am Madhuri.

"Every child is a different kind of flower and altogether makes this world a beautiful garden".

Children's Day is the happiest day of every child's life. Every year in India children's Day is held on November 14th to honour Pandit Jawaharlal Nehru, our first Prime Minister, who was born on that day. He cared a lot about children and was called "Chacha Nehru" by children. So his birthday is celebrated as 'Children's Day' all over the country.

A day marking childhood, and to make this event memorable for our little ones, the day focuses on children and their enjoyment. The day was commemorated with immense joy, enthusiasm, and magnificence. All the school's children come dressed up in casual clothes. The celebration begins with the morning prayer, followed by a variety of fun-filled activities and games planned by the Teachers for their children. The teachers made Children's Day special by involving them in various types of Riddles.

On this great occasion, all the teachers performed various programs like - songs and dances.

Christmas 2023- 24

“Christmas is not as much about opening our presents as opening our hearts”

Christmas is the most wonderful time of the year not because of the stack of Shiny presents, but because of the time we spend away from the hustle and bustle of life so we can be with those who matter for us most. Christmas is an annual festival, which is celebrated with great enthusiasm by Christians. This festival celebrates the birth of Jesus Christ, on 25th December every year across the globe. There are lots of customs associated with the celebration of Christmas which vary from one Nation to the other. The celebration basically started almost a week ago with the decoration and shopping etc. The main occasion starts on Christmas Eve and falls on the night before Christmas. Christmas isn't just about a single day. Peace of earth will come to stay when we live Christmas every day. This year St. Patrick's Academy celebrated Christmas on 22nd December 2023, in the presence of our Honorable Principal Rev. Bro. Sylvanus, Vice Principal Rev Brother Lawrence, and Rev Brother Pradeep, teachers and students. The program started with a Christmas special prayer song. Students also presented the importance of Christmas through a beautiful speech. Then a prayer dance based on Christmas was presented by the students of Classes III and VIII. Then after a group of students sang a beautiful carol song. Rev. Bro. Lawrence supported students in guitar enthusiastically. A skit was put up next, based on the 'birth of Christ and his journey' by the same classes. After this, a mesmerizing dance performance happened in front of our eyes in which Santa came and surprised all of us with his unique performance, along with the other dancers. After the performance, our Principal Rev. Brother Sylvanus wished us all and shared his views on the occasion of Christmas.

Glimps of Co-Curricular Activities

CCA REPORT & WINNERS

“There are two educations. One should teach us how to make a living and the other how to live.”

- John Adams

That part of education which teaches us how to live is co-curricular activity. Education without co-curricular activities is like educating the mind without educating the soul. Co-curricular activities are the activities through which a learner explores his abilities, eradicates his weaknesses and creates a broader vision of life.

St. Patrick's promises to provide a valuable foundation in the building up of not only academic excellence but also character an overall growth of the students. Co-curricular activities form an integral part of the school curriculum and a good number of students participate in same activity or the other so as to top their innate potential.

Co-curricular activity list of all proposed activities for the year 2024-25 is prepared and placed on the school website and Diary also.

Co curricular activities are not only important for education but also noteworthy for the total change of behaviour of the child. Co curricular activities play energetic role in the general development of mental, emotional and psychomotor atmosphere of the child. It makes the child daring and bold to transmit out several roles of the society.

The meaning of co-curricular activities revolves around its different features and characteristics. For the overall development of a child, curriculum is not only the single criteria. The holistic growth as well as to develop the various facets of personality development of children. Classroom teaching should be supplemented with Co-curricular activities. These out of class activities affect all domains of life such as cognitive (intellectual), emotional, social, moral, cultural and aesthetic.

Co-curricular activities meaning are more focused upon cognitive aspects there by helps in intellectual development. Competitiveness, excellence, quality achievements, creativeness and enthusiasm are few of the ethics which strengthen the meaning of co curricular activities in school.

These activities have wide-ranging variety and are conducted with sufficient frequency to ensure participation from all the students. And these activities are so well integrated with the academic calendar and so well spread out over the academic session that they are held as a matter of routine without in any way hampering academic life in our school. CCA competition is conducted on Saturday.

In St. Patrick's we have recitation competitions to develop communication skills in children, spelling contests are organised to help them with their pronunciation and enrich their vocabulary. Handwriting is another area where our students compete. A neat and legible handwriting compliments their academic competence. Story, letter, essay and poem writing contests are organised to give them opportunity for self expression to help them communicate effectively and to develop their critical thinking skills. Other areas where our children compete including singing, dancing, art and painting which allow them to give expression to their creative talents.

“Save water in daily life”

Water is the most important and valuable natural resource on Earth. It sustains all life. There is no life without water. Water is not only important for human being but for the entire ecosystem. Without enough water, the existence of humans, as well as animals is next to impossible. After fresh air, water is the survival of any living being.

Water is necessary for the survival of each living creature on this planet, be it a small worm, planet or full-grown tree. Animals and plants cannot survive without water. About 71% of Earth's surface is covered with water. Unfortunately, only 3% of the water available is freshwater. Lies in the form of frozen glaciers and ice caps. The rest of the small portion is available in the form of groundwater and surface water. All living organism on planet need water to survive.

Poem on Earthquake Precursors

Beneath Earth's surface , secrets untold,
Precursors whispers, stories unfold.
In nature's classroom, lessons we glean
A dance of warnings, a seismic scene.

Birds take flight, a chorus of wings.
Nature's student, sensing the springs.
Animals stir with a sixth sense,
Earthquake's approaching, in suspense

Rocks quietly strain, under the ground,
A class room lesson , subtle sound.
Volcanic Murmurs , A prelude clear,
In nature's syllabus , tremors near.

Water ripple , in silent class,
An early signal, moments to amass.
Lesson of tension, a seismic theme,
Earthquake's Precursors, in nature's scheme.

ये कैसा प्रकृति का कहर,
जिसमें न बसता मेरा शहर,
बिना जुर्म खौफ की लहर,
सहते - सहते टूट रही कमर,
कभी जल से डूबी नहर,
बेबस हुई रोने को हर पहर,
सो रहे सब पीकर जहर,
सियासत को नहीं इसकी खबर,
कब तक करेंगे ऐसा सफर,
जिसमें न बसता मेरा शहर,
लगी शहर को ऐसी नजर,
खिल रहे फूल भी बिना भ्रमर,
पथिक डरा चलने को डगर
ये कैसा प्रकृति का कहर,
जिसमें न बसता मेरा शहर।

सच्ची मित्र

सच्चा मित्र वह होता है जो अपने मुसीबत में पड़े मित्र की यथासंभव सहायता करे। उससे प्रेम करें। सहानुभूति रखे, अपनापन अनुभव करे। आपको अच्छे कार्य करने हेतु प्रोत्साहित करे। ऐसे ही गुणों से भरपूर था जीतू। उसमें मानवीय गुण कूट-कूटकर भरे थे। अपने पास दो कमीज होने पर एक वह खुद पहन लेता दूसरा वो अपने मित्र मनोज को दे दिया करता था। पढ़ लिखकर जीतू को एक अच्छी नौकरी मिल गई पर मनोज अभी भी पढ़ाई कर ही रहा था। वह मनोज की पढ़ाई कर पूरा खर्च उठाता, यहाँ तक की शादी के समय भी उसकी मदद की। अब मनोज की पत्नी को भी सरकारी नौकरी मिल गई व उसे जीवन यापन करने में कोई तकलीफ नहीं है।

परन्तु समय बदलते देर नहीं लगती जीतू के बच्चे पढ़ने - लिखने लगे। तीनों बच्चों ने पढ़ाई पूरी कर ली। अब तीनों बच्चे नौकरी की तलाश में जुट गये, और जीतू का तबियत बिगड़ने लगा पूरे शरीर में पानी भर गया वह बहुत कमजोर हो गया। जाँच के दौरान डॉक्टर ने बताया कि उसका लीवर ५० प्रतिशत छतिग्रस्त हो गया। बहुत ईलाज कराने पर वह धीरे-धीरे ठीक होने लगा। लेकिन जीतू अभी सोचता है उसने बहुतो की मदद की पर उसे देखने उसका हाल-चाल पूछने कोई नहीं आया। बल्लू को उसने बी.ए., बी. एड करवाया। नौकरी दिलवाई पर जब उसने दोस्तो की कमी महसूस की तब उसके पास कोई नहीं था।

मेरे विचार से जीतू ने अपना कर्तव्य निभाया, पर सच्चे मित्र की किमत मनोज और बल्लू ने नहीं समझा। मित्रो हम अपना कर्तव्य कार्यो को करते रहे, फल की चिन्त ना करें पर आपको अपने अच्छे कार्यो का मूल्य अवश्य मिलेगा। मेरी दिल से दुआ है कि जीतू जल्द से जल्द पूरी तरह से ठीक हो जायें।

हे भगवान कहाँ है तू

मैंने तुझे दिन में पुकारा
मैंने तुझे रात में पुकारा
पुकारा मैंने तुझे सुबह-शाम
पर तू न आया श्याम
न जाने क्या कमी रह गई
मेरी पुकार में भगवान
मैं भजू तुझे वन उपवन
मेरी पुकार सुन उत्तर दे प्रभु
मेरी पीड़ा हरो प्रभु
ताकि मेरी आपसे मिलन हो
मिट जाये सारे गम
ताकि मैं चिर शांति में सो सकूँ
छोड़ धूमिल सा गम।

कोशिश करने वालो की कभी हार नहीं होती

आशु एक होनहार लड़का था। सात भाई-बहनों में उसका स्थान ६ वें नम्बर पर आता था। माता-पिता की आर्थिक स्थिति उतनी अच्छी नहीं थी। पिता की इच्छा थी वह पाठशाला ना जाकर पिता के कामों में हाथ बटाये, बाकी के सभी भाई-बहन एक मिशन हॉस्टल में पढ़ाई कर रहे थे। आशु बैस चराने और हल जोतने लगा, बैस घर से कहीं दूर चले जाने पर पिता जी उसकी ही पिटाई करते थे। डरा सहमा आशु पूरी लगन के साथ पिता जी के द्वारा निर्देशित कार्यो को करता था। छुट्टियों में जब सारे भाई-बहने घर आते तो वह सबके खुशियों और आज्ञाओं का ख्याल रखता था। जब वे सब छुट्टी व्यतीत कर के वो हॉस्टल वापिस जाते तो सबका सामान को कंधे पर रखकर बस स्टेशन तक छोड़ आता। उसको भी स्कूल जाने का बहुत मन करता पर पिताजी ने कसम खा रखी थी कि आशु पढ़ने व लिखने नहीं जायेगा। एक दिन वह स्कूल चले गया और उसके पिता जी को भनक लग गई की वह बिना अनुमती के पाठशाला जा रहा हैं, आधे रास्ते से ही मारते-मारते घर वापिस ले आया रोता हुआ आशु सो गया और दूरे दिन जल्दी उठ गया बैस को चारा-पानी देने फिर खेत में हल जोतना फिर हल खोलकर फिर बैस को जंगल की तरफ चराने ले जाता फिर शाम छः बजे तक घर वापिस आता, यह काम करके वह दिन काटता रहा। सबके लिए कपड़े लाते लेकिन बेचारे आशु के लिए नहीं क्योंकि वह घर में ही रहता, स्कूल नहीं जाता।

एक दिन एक मिशनरी पुरोहित घर आये थे और उन्होने आशु से बात-चीत की तो उन्होने पाया की आशु पढ़ने-लिखने के लिए इच्छुक हैं। उन्होने आशु के माता-पिता को मना लिया और वह पाठशाला गया और मन लगाकर पढ़ाई करने लगा, क्योंकि उसकी उम्र अधिक थी वो एक पल में दो क्लास यानी छः छः महीने १ कक्षा में बिताया और कक्षा दूसरी में पढ़ने लगा। ऐसा करते - करते वह खेल-कूद में भी भाग लेने लगा कुछ समय बाद वह ११ वीं कक्षा में पहुँच गया। उसी समय बी.एस.एफ. का चुनाव हुआ और उसका उसमे नियुक्त हो गया। माता-पिता की आर्थिक सहायता करने लगा।

वह अब तीन बच्चों का पिता हैं और खुशहाल जीवन- यापन कर रहा हैं। अपनी इच्छा को बरकरार रखिए, सफलता आपको निश्चित ही मिलेगी।
